VACAVILLE

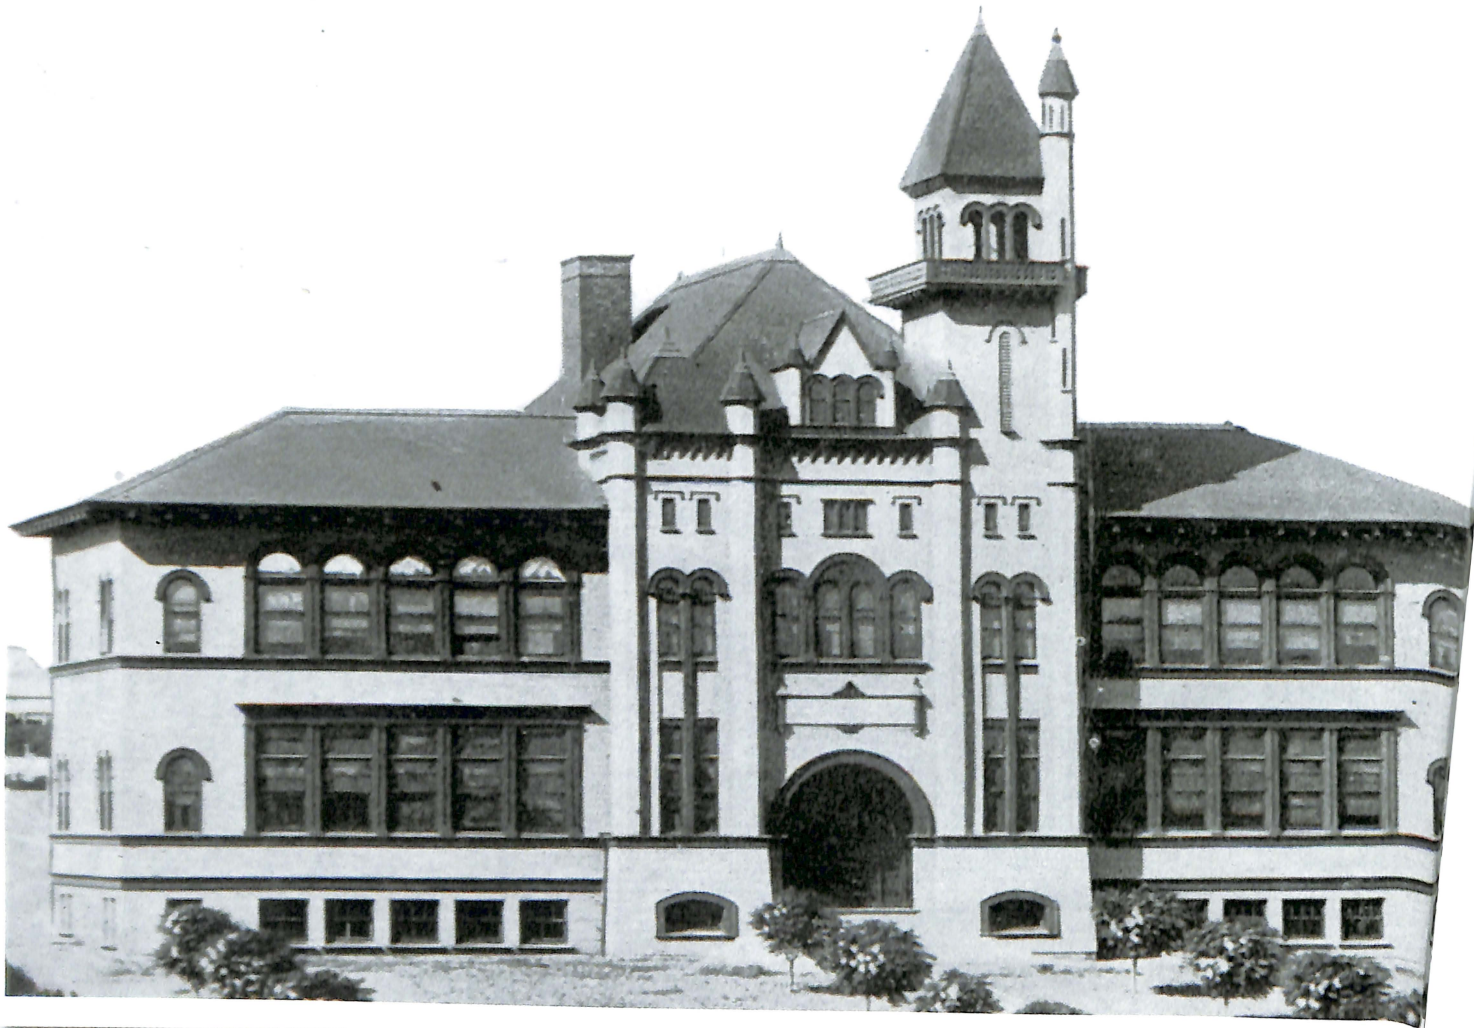

THROUGH THE YEARS...

2008 ULATIS
VACAVILLE HIGH SCHOOL
100 EAST MONTE VISTA
VACAVILLE, CA 95688

THROUGH THE MEMORIES,

A small city worth of students have passed through the halls of Vacaville High School since the first edition of The Ulati. Time has changed many things, including the location of our school. Years ago students lined up at the pay telephone to get a friend on the other end, while today students text and talk on cell phones to friends as they wait for the first period bell to sound. Clothing styles have come and gone. Girls are no longer required to wear dresses and boys have lost the ties, wear earrings and shave their heads. Reports that were once hand-written in script are now typed on a computer keyboard and sent through turnitin.com before being electronically submitted. Research is conducted on the internet. Many students drive automobiles to school. Our school population has grown.

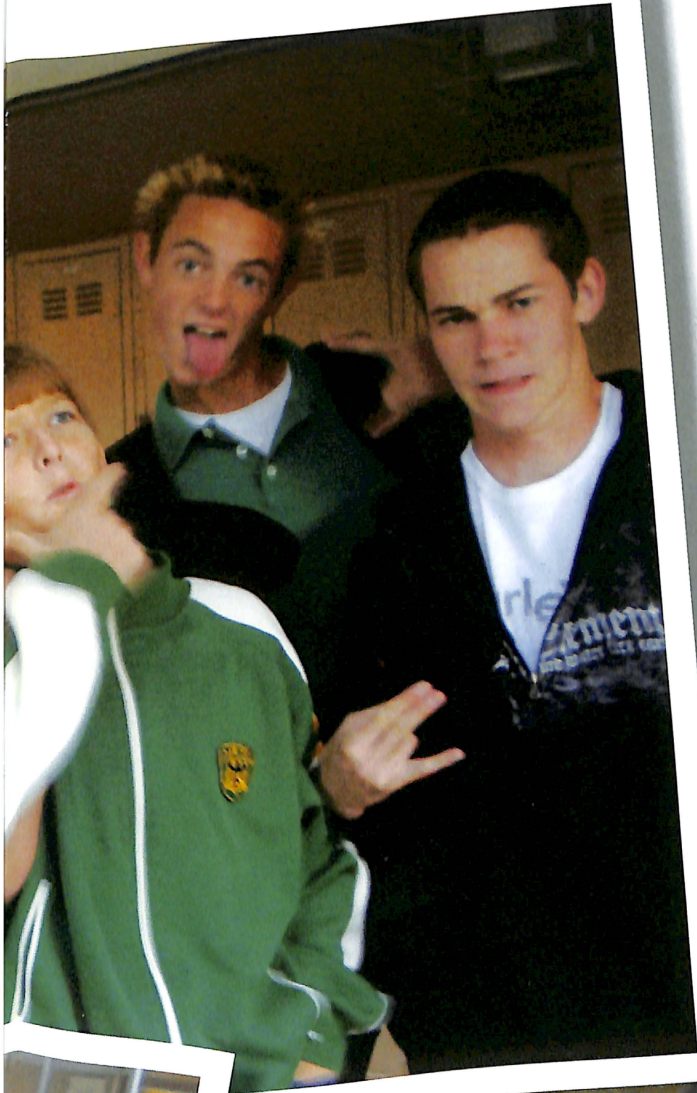

But some things haven't changed over the years. Teachers stand in classrooms and teach lessons to eager learners. Young people sit at their desks hanging on every word. Students stress over upcoming exams. In the Spring, romance is in the air. Girls fuss over their hair and guys wonder if that special someone likes them too. Every day dream leads to the senior prom. Hearts are broken and mend. Sports still draw crowds who root for our team. Freshmen can't wait for the day they become seniors. Proud seniors graduate and move on.

In this one hundredth edition of The Ulati we invite you to see what Vacaville High School is in 2008. Please have a look at what we have become in our journey Through the Years.

Someday, before you blink twice, one of your grandchildren may look through this book and marvel at how things have changed since way back in 2008.

Link Crew is one of the best known clubs on this campus. Most students have been through a Link Crew experience in one way or another; whether you were a freshman walking the halls of a scary highschool for the first time, boo-gying at the Homecoming Dance, or maybe you have been asked to be a Link Leader yourself. Some of you may not know it, but like our famous football and wrestling teams our Link Crew team is also famous. In the fall, over twenty different schools come from all over to see what types of activities our club sponsors. All in all some of the most inspiring kids are part of Link Crew and try their hardest to make some of your first moments at high school the best.

Foreign Exchange

Have you ever spent \$1200 in one weekend? Well, Henriette Stulen has. She loves shopping here in America because it is so inexpensive compared to the normal prices she is used to in Norway. According to her, the school spirit here is "awesome." After a long day, she enjoys eating with her buddies at her favorite place, Taco Bell!

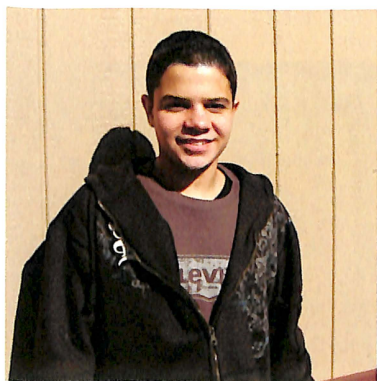

Who are those gorgeous girls on the drill team? Well, Pauline Liesfeld is out there performing all the way from Germany. When Pauline arrived, she immediately found friends on and through drill team. After seeing America in the movies, she is so happy to see it and live it for herself.

Sunshine is the first thing that pops into Helena Kavsek's head when she thinks of her favorite thing about California. She spends her time living it up at parties and spending "way too much" money. It was just a little disappointing when Vacaville was nothing like "The O.C." (which she watches faithfully at home in Germany.)

Have you noticed that tall, blonde, blue-eyed guy around campus? It's Germany's Julian Reese! At our "cool" school, this baseball player loves the school spirit, but when it comes to class time, Julian thinks Economics class is a little dull. Enjoying the sunshine, Julian has traveled to L.A., San Francisco, and Sacramento.

From Fresno to Hawaii, Victor has made memories to take with him back to Brazil. His favorite part of Vaca High is, what else, the football games! Although he doesn't participate in sports, Victor loves shopping at The Outlets and chowing down on all the great Mexican food here in California.

As Sandra Hachmann sits in her math class, she watches the clock tick down until she gets to go out and run for the VHS cross country team. Unlike her home country of Germany, she finds the people here incredibly fun and open. With all her new friends, she enjoys trying new things like dining at Chevys.

"Yuck! It's so hot!" was one of the first thoughts in Charlotte Francis' head when she came to Vacaville. But then the bulldog spirit from the students at Vaca High amazed her. At home, in Belgium, there is no homecoming. So, she loved the absolutely awesome one that was put on at VHS. A piece of advice from her is: If you get the chance to be a foreign exchange student, do it!

For so long you have been the center of my world. Sharing life with you has been my Greatest delight. Thank you for making our lives together so easy, so fun, and so filled with respect, joy, and love. I have a million memories tucked away to comfort me as you step out into the world to discover God's plan. You will always be in the center of my heart--no matter how far away you go. Within you is all the wisdom and strength you will ever need to overcome life's challenges. Just remember that every challenge offers a gift and another opportunity to decide who you are and who you want to become. I love you so very much.

Sammers,

There are moments in your life that make you and set the course of who you're going to be. Sometimes they're big moments you never saw coming. No one asks for their life to change, but it does. It's what you do afterwards that counts.

*We love you,

Samantha Curnutt-

I am very proud of you. You are a strong and loving person, with a big heart. Nana is watching over you and blowing kisses down to you everyday. Wherever life takes you, remember this quote: Do not follow where the path may lead. Go, instead where there is no path and leave a trail.

*I love you little you-you.

Samantha,

Graduation is only a concept. In real life, every day you graduate. Graduation is a process that goes on until the last day of your life. If you can grasp that, you will make a difference, I am so proud of you.

Hillary Fadley

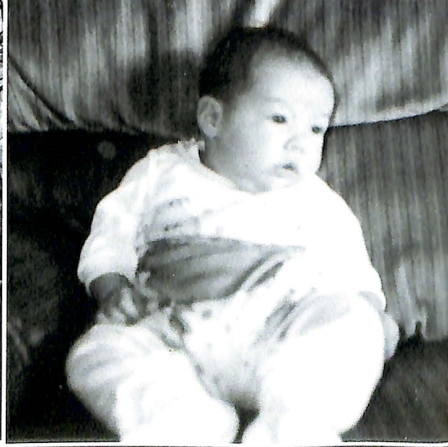

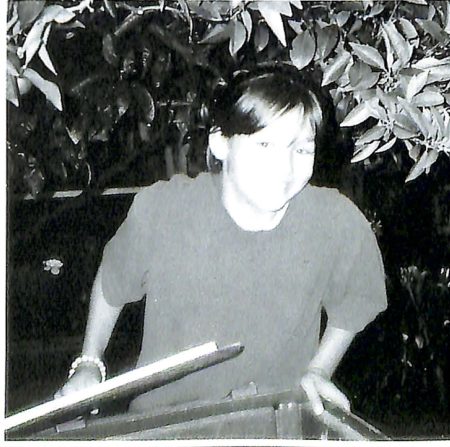

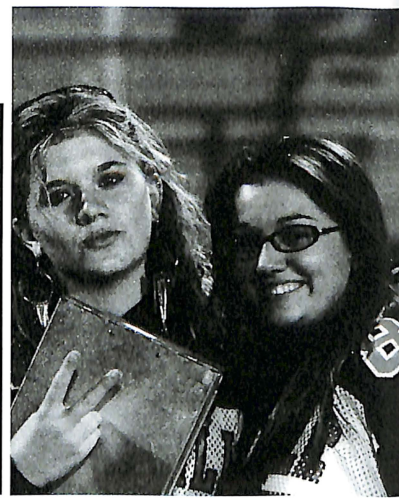

Hillary,

Wow, we finally made it to our senior year! With all that has happened we've still been able to stay best friends. I mean we've overcome so many issues; drama, arguments and nearly killing each other over something totally stupid, but we've still managed to make it through alive. We have had so many fun times. We always said we were going to make our senior year count. I think we have done that. Between all the football games, Fentons trips, the "In-N-Out Incident" (we're never going to let Ally forget that one!) Winterball, the all-weekend sleep-overs, prom, dances and so much more. We have done so much through the years and still we're able to stay friends and not forget each other. We may forget certain details or events after we graduate, but the one thing we will never forget, is how much our friendship means to us. You have been my best friend for almost seven years, and I hope that once we graduate we remain such close friends. But in the end, you know that in a couple of years we're going to look back and laugh at all the stupid stuff we've done or said. On June 7th, 2008, we will be high school graduates. All I have left to say is, "Congratulations, We Did It!!!!!!!"

*Love Always,
Kris*

Kristine Hart

Kristi,

Whats up yo?!

Can you believe it? Almost seven years have gone by and between all the drama, arguments, times of laughter, Allison tripping over a "still wet" sign because of some HOT guy in front of In N' Out (ha ha), the adventures to Fenton's and wild dancing at Winterball and in your car-- we are still the Best of Friends Ever. I have no idea what I would do if I had never met you. Our freshman year, I remember us saying in P.E. that we couldn't wait for senior year. Well, now it's senior year and it's our time to shine! You are my BFFL, my Homie G, my Pepper to thy Corn. My Slim to thy Shady! And all that rhyming stuff. I am with you till the end Kris!! And nobody, not even God himself can stop that.

"We go stupid-dumb and Hyphy in your straight silver Jetta"

To Our Joseph -

We have been truly blessed with such a wonderful son who has made us so proud. You're a gifted athlete and we've loved watching you play the many sports throughout the years, especially football. But we're even more proud of the young man you have become; very intelligent, concerned about others more than yourself, always rooting for the underdog and less privileged, so respectful to others' notice and comment, determined to win, and devoted to your faith in God.

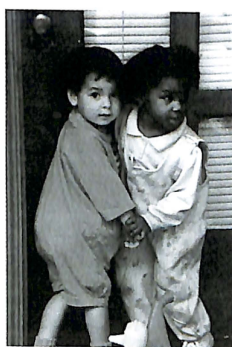

Your success in football has been a family affair, as all your family and friends has continuously supported and encouraged you and delightfully shared in your glorious victories, including MEL all league!!! and you are a part of history for VHS after winning the very first bulldog football section championship! Just remember that glorious feeling of triumph and know that if you put your mind to it, you can do anything. Our strong-as-steel family bond can never be broken, and your job now is to go out and continue to succeed... in college, sports, your future career, and your future family. We will always be here for you and love you more than words can say. "A child is a gift from God," and we thank Him for our precious gift, our Joseph.

Amber Goetz,

We have been blessed to watch you grow from the cutest baby girl ever (our apologies to other parents reading this, but it is just a fact) into the most beautiful young lady, inside and out (No, we are not biased...it's just another fact. Deal with it!) We are so proud of the intelligence, character, and values you have developed through the years. Use those qualities and your ability to be quite stubborn, and we know that you will be successful in whatever path you choose to follow in life. Always remember to trust and follow your first instinct in the choices you make because you can trust that you are being guided by those feelings. Give yourself more credit and accept compliments when they are offered. We are the lucky ones to have been chosen to be your family and we will always be the support and love you can turn to when you need us. Your graduation day came too quickly but it will be the first step in many remarkable accomplishments in your life. Continue to grasp each opportunity you can find to make your life as rich as you undoubtedly deserve!

My Love,

I hope that your senior year was all that you wanted it to be. I only wish I could have been more helpful with your school work, but ... that's kind of your fault that you were in classes that were too difficult for me to understand. Words cannot express how proud I am of you. Your hard work paid off and here you are on your way to college. But enough talk about school, let's talk about me, or rather, what you have done for me. You made me more polite, more respectful, more outgoing, and an all around better person. You have opened my eyes to love and happiness. You filled a gap in my heart that I thought would never be filled. You've also taught me to be gentle - that I don't always have to be a tough guy. You have also done, taught and shown me many more things and I hope to learn even more from you in the future. You are the greatest thing that has ever happened to me and I can't wait to spend the rest of my life with you. Congratulations on finishing your high school career.

I love you more than anything in the world!

There are not enough words to tell you how very proud we are of you. You went from our little livewire to a very strong outspoken, very liked, outgoing athletic responsible individual. There was some concern at one time. You fell, but picked yourself back up and over exceeded yourself. You never lost faith in yourself. Being that kind of person you will reach that star. Congratulations Gennie. "You made it!!!"

From the first day of summer when you were born to the 18th summer of your birth, time has traveled by, since the first day of school to the last day of your senior year, the time has really flown by, from your first tear drop of being dropped off at school to the last tear drop of your final year in high school. Just remember you will always be my lil angel and now it's going to be your first day of being an adult. From now to then there will always be firsts and new beginnings. Always try to be first in anything you do to be the best.

With luv,

*Your father

Pictures = memories! Where are tho one of you when you first learned to write a bike or of you making silly faces? You are smart, interesting, challenging--a great daughter and sister!

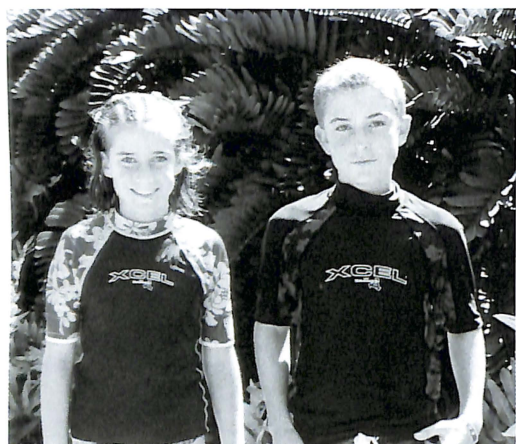

It is great expectancy for a wonderful life that we have tried to instill in you a heart and mind to love the Lord. Go forth into the world knowing you can conquer and accomplish. Acknowledge the Lord in all of your ways and He will guide your path. Our joy is seeing you grow older, mature and develop.

Pokey,

Thank you for cherished memories. From binkies, bottles, Kelly, Minnie and Pooh, to dancing, always dancing. From hairdos to holidays, concerts, roller coasters, cheerleading and horse shows. From water-wings to water slides, the list goes on. I especially admire your love of your family, friends and animals. It all adds up the person you are today. We may soon live apart, but we will be a part of another.

Love,

Mom and Andrew

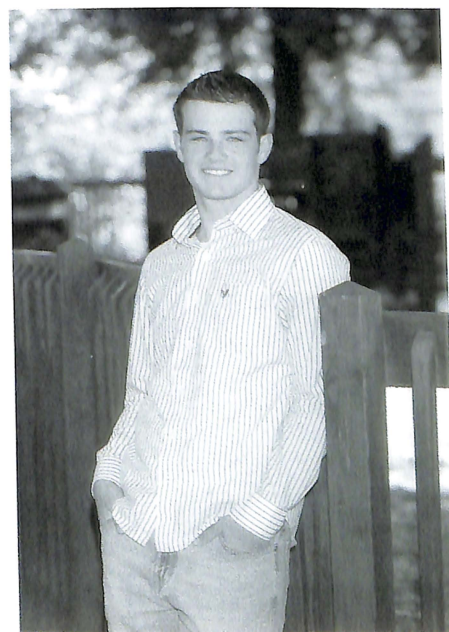

It seems like only a whisper of time since you were this tiny person wrapped in a blanket. Now you are set to enjoy another wonderful milestone of your life, your graduation. Memories are images that play like a slide show of wonderful moments watching you grow. The little girl sawing on her tiny violin at Orchard School is now the young lady in the long black dress in the orchestra on a much bigger stage. I am anticipating your future with the same enthusiasm that has embraced the fond memories of these last eighteen years. You are a very special person sharing your positive energy with your friends and family and bringing your humor, charity and grace to all around you. I will never grow tired of hearing, *"I love you Daddy."*

Justin Bottoms

Congratulations Justin! You've made it. We are so proud of you and all of your accomplishments. It has been so much fun watching you grow up. We know that you will continue to do well in the next chapter of your life. Work hard, laugh and enjoy all life has to offer. You are a wonderful son and brother. Savannah Waldron

Here you are, the time has finally come. Your time to be the one.

From your first step followed by your first words your spirit was destined to be unique.

Brilliant qualities so seldom realized run true each time you speak.

A natural flare so frequently mistaken, we knew would shine through.

Beauty and determination, trademarks that come so easily for you.

There isn't a path too difficult or a dream too far that isn't within your reach.

Our dearest Savannah, pride and love aren't strong enough words to express how we feel. You've exceeded far beyond our hopes as a young woman, and most importantly, you have a kind and tender soul. This, is your most endearing quality that will ensure your success as you embark on the opportunities of tomorrow. Our hearts are torn from the child you were to the adult you are becoming, but our spirits are high, with the promise you bring for years to come. We will always be by your side where ever your dreams take you.

*Love,
Mom & Dad*

Oh what a blessing! Our best gift ever came from God on June 30, 1990 at 7:52 am in Anaheim, CA. Trenise, we have loved you from the moment you entered this world. You have been a wonderful daughter to raise and have become a great friend. We have enjoyed watching you compete in Spelling Bees, run up and down the soccer field, block shots on the basketball court, and run your heart out on the track field. You have continuously made us proud of your academic accomplishments and we know that your best performance is yet to come.

It has truly been an awesome journey. Where ever you go in life, always remember that Mom and Dad love you tremendously and we have your back!

You have always been our little girl and I never even dreamed that you would grow up so quick. But, the time has come and you have grown up to be a wonderful, loving, responsible, mature, beautiful, young lady. Mom and Dad are so proud of you. You have a bright future ahead of you. Keep the positive and self-confidence and you can do anything or be anyone you desire. You think we nag a lot, but it got you through to where you need to be. As you get older you will understand it was all because we want a good life for you and to see you succeed. We will support you in everything you do. You're still our baby girl no matter how old you get.

*Love you always,
Mom and Dad*

Cianna (Cia, Chica)

We can't say enough about how proud you have made us. These years went way too quick. You have grown up so much over these past few years. We enjoy seeing the compassion you have for others as well as animals. We think back to the cruises we've taken, the Disney trips we enjoyed as a family, and we can't help but think how the things you reminisce about are the simple things we did together, the playing of the board games, in front of an open fire or the camping trips. It makes us cry to think about how there will be a time when you will establish your own life and we won't be able to see all the things in your life as often. We only hope that we have give you the tools you need to make your life a happy one. We look forward to the day when you realize that some of the decisions parents make are not to deprive you of fun, you think you may have missed out on, but just to keep you safe. We've seen you go from sweethearts to Cia, a beautiful, intelligent and sweet young woman. Always remember the way you were brought up, be the kind and loving person you are and remember your Christian heritage.

*We love you very much Chica -

Katie Mathews

Katie,

Precious beautiful baby girl!

Joyous, vibrant, strong and sure, every minute we are in your presence we are overwhelmed by the gracious young woman you have become. We see the warmth of your heart, the strength of your character, and the determination of your spirit and we thank God that He gave you to us.

When your friends speak of you they tell us how loyal you are. How you never let them down, how you are compassionate, encouraging, and trustworthy. When those who see you at your best and your worst, as friends always do, speak of you with such devotion we are touched to the depths of our souls.

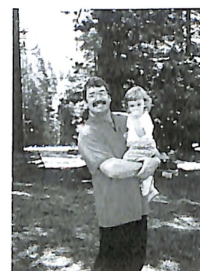

When you rise up, singing and dancing, acting like a crazy fool without a care in the world we sit back and say, "where did she come from?" (well actually, dad says, "she gets that from you."). And that's just fine with us because your laugh is contagious and your smile fixes everything. You are LOVE.....without question, without compromise; in every situation...you are Love.

We watch you with your sister and with other young people and we see how God has gifted you. You nurture them and appreciate each one for the individual they are. Courtney is so blessed to have you in her life. You are a great role model and a fierce protector.

We are proud of you and we love everything about you Katie. Especially that you share yourself so fully with others and yet never compromise your individuality. As you take on the world remember His word, 1 Cor 15:58, "Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord."

With all our love,

Dad and Mom (and Courtney too)

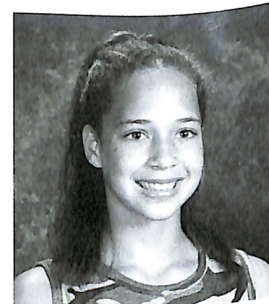

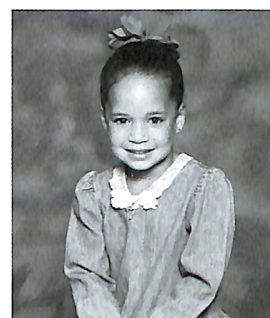

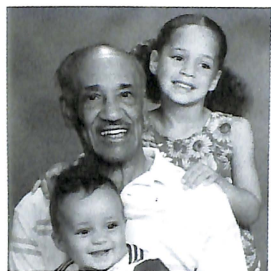

Mr. Wettstein's 9th Grade English Class Spring 2005

In the Spring of 2005 Mr. Wettstein had purchased a new digital camera. It was not something that he was used to operating. (A digital camera was a fairly new idea.) He decided to test it out by taking photos of one of his English classes. We found these photos recently and wanted to share them with you. Do you recognize any of our big seniors from back when they were little freshmen? Do you remember Mr. Wettstein? We hope you have fun checking these out!

Congratulations Seniors 2008!

Lauren Elizabeth Ragan

I cannot express in words what a wonderful daughter you have been and continue to be. At every age and stage of your life you have made me such a proud parent. When you were a small baby we would take you to a restaurant and you were such a lovely child, people would come across the room just to have a look at you and your beautiful curly hair. When we lived in Arizona and spent many hours together, you were a great companion. And you were only two years old!! I remember the rounds of golf we played and when we arrived at the green you would join me and we would putt out together. I still have your short putter.

You were such a trooper when we started Black Diamond and you rode all the way to Modesto and back everyday. You did not complain.

What a lovely young woman you are. You have honored me in every way from your being so responsible to keeping your promise with your promise ring. I love you more each year and what a fortunate man I am to have a daughter like you.

Love always,

Dad

Wow, this year has gone by so fast! It seems like we just started school, and now we are at the end of our high school years. I'm glad to have all these good memories. It's been quite a lot of work, but lots of fun as well. I would like to thank our Business Ads Editors Katie McGilvary, Stacie McCready and Alyssa Cardwell for all their hard work. Thanks to all our editors who helped get things accomplished. Special thanks go to Kaitlyn, Elizabeth, and Marissa for their dedication and time on task. Even though we had some almost missed deadlines and "DEADLINE PAGES DELETED," we made it through. I appreciate all the other staff members and thank them for everything they have contributed to the book. In addition I am grateful to Ms. Anthony for her assistance with the yearbook. And to all the seniors, "Congratulations, we did it!" An extra special thank you to Kirstin Johnson. We have had so many fun times (and a few not so fun) making this yearbook. Your inspiration, dedication and sense of humor are great assets to our team. I couldn't have done it with out you; I would have gone crazy!

Finally, I'd like to say: Just remember that in the years after high school, "People won't remember what you said but they will remember how you made them feel." Quote by: Mrs. Moe

Goodbye

Wow, where did the year go? This year has been crazy! It seems like only yesterday we were all freshmen, and now we're graduating seniors. Since our freshman year, everyone has known this is our hundredth yearbook and I hope our book captures this year here at Vaca high.

None of this would be possible without our great yearbook staff. Thanks to all of you for working hard and putting in extra time when it was needed. Kris, you will always be the blonde one, I know we didn't always get along but we did make an amazing yearbook together! I will never forget all of our weird moments in yearbook during the past three years, mostly that terrible goat face. Frodo, you are my favorite little assistant, but honestly thank you for all your hard work on pages that weren't even yours. Thank you to our new freshmen, you guys as a whole probably worked the hardest, and last but not least, good luck to everyone on next year's staff. I can't forget the one and only Ms. Anthony. Without you, the yearbook would never get finished. You really are the best yearbook advisor, even if you might delete half a deadline from time to time. I also appreciate you making me a bagel all those early mornings. Thanks again to this year's staff for making my senior yearbook amazing!

I wish everyone well as we go our separate ways and I hope this yearbook will help bring back your memories at Vacaville High School.

-Congratulations class of '08! We did it!
